

CHERRY DAYS LOVRAN

Dani črešanj^{va} Lovrane

01.-30.06.2024.

- HR -

Trešnja, naočigled jednostavna, svima poznata voćka, stvorila je pravu gastro senzaciju oko sebe. Posebna sorta trešnje „brtošinka“ koja raste u Lovranu i Lovranšćini, ističe se svojom veličinom i slatkoćom što ju čini posebnom, a time i zaslužuje da joj se posveti pažnja u obliku ovog Festivala.

Tijekom lipnja u Lovranu se mogu kušati razne slastice od trešanja a na današnjoj modernoj kulinarskoj sceni nije strano ni sjedinjavanje slatko – slanih okusa pa se okus te voćke može pronaći u raznim kombinacijama.

Subotu, 15. lipnja održat će se fešta posvećena trešnji, kada će uz gastronomsku, glazbenu i kulturnu ponudu posjetitelji moći kušati i 10-metarski štrudel od trešanja ali i sa sobom ponijeti kući ponešto od preostale ponude slastica od trešanja.

- GB -

Cherry, an apparently simple fruit known to everyone, is a real gastronomic sensation. The cherries from Lovran “brtošinka” are known for its quality, size and taste.

During June you can taste a variety of cherry desserts, and in today’s modern culinary scene it is not unusual to combine sweet and salty flavors, so the taste of this fruit can be found in various combinations.

On June 15, 2024 a Cherry Fest will be held where, in addition to a gastronomic, musical and cultural offer, visitors will be able to taste a 10-meter cherry strudel and take home some cherry desserts.
